## **CEMENT QUOTATION** IS FINALLY SETTLED

Price to Government Boosted 45c. a Barrel, While Others Get 15c. Concession.

READJUSTMENTS MANY

Fluctuations Vary With Demand-Building Restricted to Alteration Work.

Decided changes in building material price tables are reported in the Dow Service Daily Building Reports to-day. The most interesting price adjustment is that arrived at between the Government and the portland cement manufacturers

character on hand than there has been | cently were given a \$2 a week raise

Another department that has begun to feel some of the pressure of Government business is lime, an increasing quantity of it now being called for in Southern ports from Eastern sources. This is being used partly in the housing developments in Maryland, Philadelphia and southern New Jersey.

Composition roofing in one section of American style, American materials and American machiness will lead in

the market shows a notable price shrink-age. Materials of \$5, 45 and 55 pound grades are off 20 cents, and the same applies to insulating paper. At the same time it was announced that flux that is used with asphaltum substitute has been advanced \$4, and is now quoted at \$34 and \$36. Notable price changes became effective

last week in hollow tile fireproofing. Ex-terior is now quoted, 4x12x12, \$105 per 1.000: 6x12x12, \$147; 8x12x12, \$178.50; 10x12x12, 210, and 12x12x12, \$262.50. Interior, 2x12x12 and 3x12x12, \$80; 4x12 x12, \$90, and 6x12x12, \$120. Price advances are reported in New-ark in almost every commodity. Port-land cement is now \$3 and \$3.15 a bar-

rei; Rosendale, \$2, as against former price of \$1.60. Lime has advanced from \$1.90 to \$2.60 and \$2.75. Plaster that was formerly quoted at \$2.80 is now \$3.60 and \$3.75. Hudson and Raritan brick at Newark are \$12.25 a thousand. Arreican goods after the war, but I do not think we can obtain much wool from America. We are now importing much wool from England. The better grades of raw material for clothing have all ways come from that country and the cheaper lines from Germany."

American goods after the war, but I do not think we can obtain much wool from America. We are now importing much wool from England. The better grades of raw material for clothing have all ways come from that country and the cheaper lines from Germany." Record and Guide, This phase of con-struction is now of paramount impor-tance, and with the exception of Government building projects, is practically all that is being done to any extent.

Government building projects continue to be announced with remarks. ble regularity and the end of the pro-gramme of large operations is not yet. The authorities at Washington are preparing for a long period of warfare.

The authorities at Washington are preparing for a long period of warfare, and in order that the army and navy be kept up to the highest pitch of military efficiency the increased building programme has become of vital importance.

109 West Eighty-eighth etreet, four single apartments, each on a plot of 20x100, to an investor. This property has been in the hands of the estate for twenty-three years. 411 Brook avenue, a two story dwell-Ing. on lot 24.11x90, for \$7.600.

CROTONA AVENUE—Frank Zebro & Co. have sold to the Anthony Avenue Realty Company 1401 Crotona avenue, northwest corner of 170th street a five story tenement, on plot 40.5x 100.2. The buyers gave in exchange the plot 70x100 at 251 Ford street, near Webster avenue.

The Bulkeley & Horton Company has on lot 20x100 at 245 and 247 Eighty ninth street, between Ridge boulevard and Third avenue for the Palmer Lime & Cement Company to an investor F. C. Sauter has sold for Mrs. Louise Watlington the three story dwelling at 458 Eighth street, Brooklyn, to a pur chaser, who will occupy.

FAR ROCKAWAY HOUSE SALE. Herman Frankfort has sold for Henry Metzler to Moses N. Berlin a dwelling on Broadway, near Reads lane,

fronting 90 feet on Elizabeth avenue, 112 the principle of the proposed legislation to feet wide in the rear and with a total depth of 184 feet. In addition to the theatre there are four stores and a large dance hall. The purchase price was in the neighborhood of \$200,000, Committee, said the principle of the proposed legislation to the proposed legislation to

### LIVE TOPICS OF THE COMMERCIAL WORLD

# UNIFORM MAKERS THREATEN STRIKE

Federal Intervention Seems Likely-Men Demand \$6 Wage Increase.

Representatives of the United States Department of Labor are expected to take action to-day in an effort to avert a strike which threatens to tie up the uniform manufacturing industry of New York city. The Textile Finishers Union has served a demand on all employers in | In both houses of Congress as soon as the cloth sponging and examining indus- it is finally drafted in the committee. try for a wage increase of \$6 a week for

every man.

At a meeting to take place to-day beand the portland cement manufacturers of the Lehigh Valley and Hudson districts. The quotation has been placed at \$1.75 for Lehigh Valley production and \$1.85 for Hudson Valley cement. These levels represent an advance of 45 cents a barrel over the quotations formerly made on Government orders, but are 15 cents below the mill quotation for commercial business.

Simultaneous with this readjustment comes the announcement that the coal situation is becoming easier and the threatened restriction of output does not now promise to be quite so acute.

What is considered a forerunner of a plan to conserve basic building materials developed in the cut stone trade when it was revealed that far sighted distributors, anticipating an emergency, had been systematically bringing to this market large quantities of building stone. To-day there is piled up in this city and still coming in, large quantities of ordinary building stone, there being probably more free material of this character on hand than there has been lat any time in recent years.

At a meeting to take place to-day between committees representing the employees spokesmen for the tween committees representing the employees apokesmen for the tween committees representing the employees and employees apokesmen for the tratile Finishers Ascoctation, composed of the largest employees.

At a meeting to take place to-day been mild winter in raties in this ports coming at attement issued yesterday, to reject the union's demands on the ground that the contract prices at which they are making the uniforms for the employees.

The employees apokesmen for the twent of the union's demands on the ground that the c

and American machinery will lead in the manufacture of men's clothing in Norway from now on, according to Bjorn Deichman-Sorensen, managing director of Norske Confectionsfabriker the

of Kristiania, Norway, who is in the United States for the purpose of inspect-ing clothing factories. He will also purchase supplies and materials for his fac-tory, which is being completed. "A great deal of the material and

Sorensen said.
"Most of the ready made clothes now manufactured in Norway are constructed after the American system, and Nor-wegians are realising that this system

leads the world.
"We intend to use as much as possible
American goods after the war, but I do

Allies Buy Wool.

Special Cable Despatch to Tun Sex. Special Cable Despetch to THE SUN.

BUENOS AYRES, May 12.—Allied buysers dominated the local wool market all
ocweek, but confined their operations to

64-56 manding mostly fine and medium cross-breds. They also took some medium crossbred lambs' at 42½ to 48 cents. The week's shipments were 8,304 ac. 88 no bales, of which 6,582 bales went to the United States The general tone of the market is

U. S. Wants Better Cloth. Manufacturers of cloth for the Gov- 48. EST 88TH STREET—Shaw & Ebbitt have sold for the estate of O. P. Atterbury and Mellesa D. Meany, 103 to 109 West Eighty-eighth atreet, four

Ble Business in Tanning. Special Despatch to Tun Sun.

PEABOOT, Mass. May 12.—Practically 80 per cent. of the entire sheepskin sup-plies of the United States are tanned in this town and the entire capacity of the industry here has been turned over to the work of tanning 3,000,000 skins for the manufacture of army coats.

Suede Gloves Popular.

Suede gloves, especially in gray, beige and other light tints, are in heavy 50x100.10. The buyer gave in ex-change 63 East 112th street, a five ond to suede in popularity and white story tenement, on lot 26.3x100.11, gloves are altogether "passe." Many women wear satin afternoon private dwelling.

ROOK AVENUE—Thomas E. Mulligan has sold to Hermine C. Meineke length suede gloves in light tones.

Good Wool Gets Better Prices.

Special Despatch to Tas Sen. CHETENNE, Wyo., Mar 12 .- Dr. J. M. Wilson, president of the Wyoming Wool Growers Association, following a con-ference with Federal officials in Washington, said here that Wyoming flock-masters will be paid 65 cents a pound or better for superior grades of wool. BROOKLYN HOUSES IN DEMAND. and 60 cents a pound under the Govern-

and 60 cents a pound under the Government regulations.

Dr. Wilson said, however, that the assumption by the Government of a portion of the handling cost will represent about three cents a pound, which will bring the average price to 58 cents and give Wyoming flockmasters \$900. will bring the average price to 58 cents and give Wyoming flockmasters \$900,-000 more for their 30,000,000 pound clip.

Dyers' Helpers Strike Called Off. Special Despatch to Tun Sen.

PATERSON, N. J., May 12 .- The dyers' PATERSON, N. J., May 12.—The dyers helpers by a unanimous vote have called off their strike and will be back at their posts Monday. They agreed to a compromise of \$18 a week in pay.

ELIZABETH THEATRE DEAL.

The Elizabeth Hippodrome, under lease to F. F. Proctor until Oct. 6, has been sold by Louis Kamm of Newark to the National Retail Dry Goods Association. and probably other representatives of manufacturing interests, will be held about the middle of this week on the rear and with a total committee developed no mee half.

The theatre, which is at 1118 to 1125 Elizabeth avenue, 112 set wide in the rear and with a total committee developed no mee half. In addition to the principle of the pr

Speculators Blamed for Cloth Extortion

SPECULATION by Jobbers and large retailers is the sole realarge retailers is the sole reason for the high prices of gingham, sheeting and other lines used entirely by civilians, according to many dealers. Some of the speculative houses are offering 100,000 yards and more of different kinds of cloth at a cent a yard less than the manufacturers of the same kinds of cloth are asking.

It is believed, however, the market has about reached the top and a reaction is forecast. This is expected because speculators are beginning to take profits, and this is said to pressage a market decline.

Big Wool Crop Forecast.

presage a market decline.

Special Despatch to Tun Sun. Walla Walla, Wash., May 12.—A mild winter has materially aided sheep raisers in this section, according to reports coming in here. A big wool crop is predicted and heepmen are expecting a price around

Curtail Blue Messenger Uniforms

Special Despatch to THE BUN. CHICAGO, May 12.—Shortage of blue cloth for the navy is bringing about a curtailment of its use for civilian purposes, and reports here are that after May 13 the Western Union Telegraph Company will switch to a forestry cloth of clive drab for uniforms for its mes-

Some dealers also are predicting that the uniforms of police and firemen will soon have to be replaced by khaki, while others contend there is also a shortage of the latter material.

Silk dealers here believe that neither Slik dealers here believe that neither raw nor manufactured slik from Japan will be put on this Government's list of restrictions. They say they have heard reports that the United States and Japan ave arrived at some arrangement whereby slik escapes restriction.

Fall Coats and Suite.

Models in coats and suits for early fall are being shown in dark greens, lapin, Belgian and Pekin blue to a marked degree. Angora cloth and Angora cloth yarn are used for collar and cuffs on some of

Cool Weather Retards Shearing.

Special Despatch to Tan Sen. A great deal of the material and machinery for making ready made clothing came to Norway from Germany before the war, but we have found the American machinery for textile work far superior to any other, and it is coming into general use," Mr. Deichman-Sorensen said.
